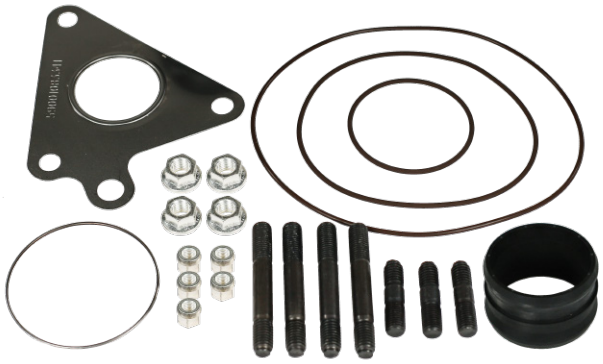
BorgWarner® Turbocharger Installation Kits



Diesel Forward is pleased to announce the availability of installation kits to match BorgWarner turbochargers for the MaxxForce® DT and 7 applications. These installation kits include everything you need to be able to install the BorgWarner turbochargers listed in the tables below.

These specific turbochargers do not come with installation kits and are not kitted by the OEM.

MaxxForce DT		
Part number	High-Pressure Turbocharger	Low-Pressure Turbocharger
11007110007	11559900046 / 11559880046	12749900075 / 12749880075
	11559900047 / 11559880047	12749900076 / 12749880076
	11559900049 / 11559880049	12749900077 / 12749880077
