

NPA 13/18

SUBJECT: Alliant Power Remanufactured High-Pressure Oil Pumps June 26, 2018

Alliant Power is pleased to announce the release of **AP63694** through **AP63697** Remanufactured High-Pressure Oil Pumps (HPOPs) for the Navistar® applications listed in the table below. Each pump is remanufactured in-house and bench tested to ensure desired performance. Pumps are shipped with a new injection pressure regulator (IPR) valve installed and include all necessary components to complete the repair. For further information on G2.9 IPR valves refer to [NPA 04/16](#).

All new products are backed with Alliant Power's 13-month, unlimited mileage warranty, as well as Alliant Power's technical support.
