

## SUBJECT: Diesel Particulate Filter (DPF) Gaskets & Clamps

Alliant Power is pleased to announce the release of DPF gaskets and clamps for the applications listed in the table. Alliant Power DPF gaskets and clamps are sold individually; the quantity necessary for a given application is indicated in the table. DPF clamps and gaskets fit the DPF inlet and outlet unless otherwise noted in the table. DPF gaskets are included with Alliant Power remanufactured DPFs. DPF clamps are not included with Alliant Power remanufactured DPFs and must be purchased separately. For additional information regarding Alliant Power's remanufactured DPF program, see [NPA 01/19](#).

All new products are backed with Alliant Power's 13-month, unlimited mileage warranty, as well as Alliant Power's technical support.

<sup>1</sup> Associated DPF inlet and outlet gaskets are included with remanufactured DPF. Gaskets and clamps also available separately. See [NPA 01/19](#).

<sup>2</sup> Alliant Power DPF gaskets are included with DPF and are also sold individually. Quantity indicated in parentheses next to the part number is the required gaskets for that particular application. Gaskets fit inlet and outlet unless otherwise noted.

<sup>3</sup> Alliant Power DPF clamps are sold individually and are not included with DPF. Quantity indicated in parentheses next to the part number is the required clamps for that particular application. Clamps fit inlet and outlet unless otherwise noted.

<sup>4</sup> Contact Alliant Power Technical at **1.800.735.9775** for assistance determining correct DPF. VIN and ECM calibration required. See [APT B 01/19](#).

<sup>5</sup> AP70116 DPF includes AP70308 inlet gasket and AP70407 outlet clamp with incorporated gasket.

<sup>6</sup> AP70407 outlet clamp includes the outlet gasket which is incorporated into the clamp.

<sup>7</sup> AP70113 and AP70114 DPFs include AP70306 gasket tape.

<sup>8</sup> Information is reference only. Contact Alliant Power Technical **1.800.735.9775** to verify part application.
