

SUBJECT: Alliant Power 100% New Diesel Particulate Filters

Alliant Power is pleased to announce the release of 33 New Diesel Particulate Filters (DPF) for the applications listed in the table on the back. Each DPF has 100% brand new OEM-quality filter substrate and housings. While there is no core charge, Alliant Power does offer complementary core recycling.

DPF clamps and gaskets are also available separately, see [NPA 02/19](#) for further details.

All New DPFs are backed by Alliant Power's 36-month, unlimited mileage warranty, as well as Alliant Power's technical support.

Product photographed for reference only. Each component sold separately.
Not for sale or use in California.

¹ Associated DPF inlet and outlet gaskets are included with DPF. Gaskets and clamps also available separately.

² Alliant Power DPF gaskets are included with DPF and are also sold individually. Quantity indicated in parentheses next to the part number is the required gaskets for that particular application.

³ Alliant Power DPF clamps are sold individually and are not included with DPF. Quantity indicated in parentheses next to the part number is the required clamps for that particular application.

⁴ Call Alliant Power Technical for assistance determining correct DPF. VIN and ECM calibration required. See [APT8 01/19](#).

⁵ AP70216 DPF includes AP70308 inlet gasket and AP70407 outlet clamp with incorporated gasket.

⁶ AP70407 outlet clamp includes the outlet gasket which is incorporated into the clamp.

⁷ AP70213 and AP70214 DPFs include AP70306 gasket tape.
