

NPA 01/13

SUBJECT: AP0068 2 Wire Pigtail

April 1, 2013

Alliant Power is pleased to announce the release of AP0068 2 Wire Pigtail that fits the actuators for the Ford®, Navistar® and GM® applications listed below. The AP0068 2 Wire Pigtail is designed with a metal hoop to lock the connector in place providing a more secure connection compared to some of the earlier style connectors that incorporated plastic locks which became brittle and are prone to damage when disconnecting.

Fits the Following IPR Valves:

MAKE	APPLICATION	AP PART NUMBER
Ford	6.0 L	AP63416 & AP63417
	7.3 L	AP63401 & AP63402
Navistar	VT365	AP63416 & AP63417
	T444E	AP63401 & AP63402
	DT466E, I530E	
	DT466 / 530, HT530	AP63402
	DT466 / 570, HT570	AP63512, AP63513 AP63514
	MaxxForce DT / 9 / 10 / N9 / N10	

Fits the Following Injectors:

MAKE	APPLICATION	AP PART NUMBER
Ford	7.3 L	HEUI A Injectors
	T444E	
Navistar	DT466E, I530E	HEUI B Injectors
	DT466 / 530, HT530	

Fits the Following VGT Solenoids:

MAKE	APPLICATION
Ford	6.0 L
	6.7 L
Navistar	VT365
GM	6.6 L LLY Duramax
	6.6 L LBZ Duramax
	6.6 L LMM / LML Duramax
	6.6 L LGH Duramax
