

## SUBJECT: AP63691 Remanufactured 16cc High-Pressure Oil Pump

Alliant Power is pleased to announce the release of **AP63691** Remanufactured 16cc High-Pressure Oil Pump for the Navistar® applications listed below. This part number supersedes AP63681. Each pump is remanufactured in-house and bench tested to ensure desired performance. Pumps are shipped with a new injection pressure regulator (IPR) valve installed and includes all the necessary components to complete the repair. For more information on G2.9 IPR valves refer to [NPA 04/16](#).

All new products are backed by Alliant Power's 24-month, unlimited mileage warranty, as well as Alliant Power's best in class technical support.
