Overview:

- We have developed a primer pump seal kit for the DT466E, I530E, DT466 / 530, HT530 to offer a complete repair solution. This seal kit includes the check ball, which when worn or damaged will not allow the primer pump to function properly.
- We have also expanded our product offerings for the Ford 6.4 L and Dodge 6.7 L ISB.

All new products are backed with Alliant Power's 13-month, unlimited mileage warranty, as well as Alliant Power's technical support.
