

NPA 12/12

SUBJECT: AP63467 Oil Cooler

June 29, 2012

Alliant Power is pleased to announce the release of **AP63467** Oil Cooler used in the Dodge®/Cummins® applications listed below. There are two possible oil cooler cover gaskets used in these applications. One gasket (OEM # 3929792) is used on 1993–1998 model years and the other gasket (OEM # 3942915) is used on 1998–2003 model years. Both gaskets are included in the kit. The oil cooler and silver mounting gasket apply to all applications and years listed below.

AP PART NUMBER	YEAR RANGE	APPLICATION	OEM PART NUMBER
AP63467	1993–1998	5.9 L B-Series, 12-Valve	3957544 3921558
	1998–2003	5.9 L ISB with VP44	4713985AB
