

NPA 09/14
SUBJECT: AP63480 Fuel Supply Hose
November 3, 2014

Alliant Power is pleased to announce the release of **AP63480** Fuel Supply Hose for the MaxxForce® 7 EPA 2010 engines. MaxxForce 7 engines built after 04/06/2011 were equipped with an updated fuel supply hose utilizing an inline fuel filter.

Alliant Power recommends installing the updated AP63480 Fuel Supply Hose in any MaxxForce 7 engines built prior to 04/06/2011. The updated filter and washers are included in **AP63642** Remanufactured High-Pressure Fuel Pump Kit and **AP0073** High-Pressure Fuel Pump Installation Kit.

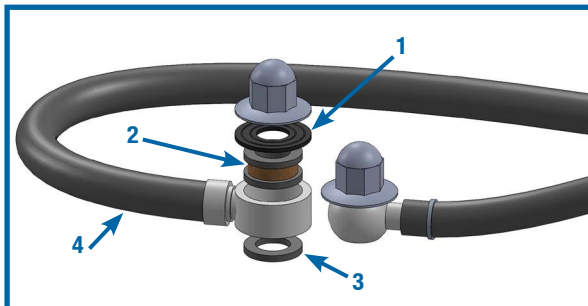

Fuel Supply Connection

Included in AP63642/AP0073:

- 1. Large Seal Washer
- 2. Fuel Filter
- 3. Small Seal Washer

Available Separately in AP63480:

- 4. Updated Fuel Supply Hose
