

**NPA 54/15**  
**SUBJECT: DS Fuel Pump Components**  
**July 6, 2015**

Alliant Power is pleased to release the below DS Fuel Pump Components for the Stanadyne® DS Fuel Injection Pump. These components have been discontinued by Stanadyne and are now available exclusively through the Alliant Power network.

All new products are backed with Alliant Power's 13-month, unlimited mileage warranty, as well as Alliant Power's technical support.

AP PART NUMBER	DESCRIPTION	STANADYNE PART NUMBER
AP63546	Data Track Disc	30273
AP63547	Armature Plate Cover	30486
AP63548	ESO Actuator	33072
AP63549	Encoder Sensor	33883
AP63550	Stepper Motor Kit	34407
AP63551	Solenoid Assembly	36394
AP63552	Armature Assembly	39479
AP63553	Calibration Resistor #1	39859
AP63554	Calibration Resistor #2	39860
AP63555	Calibration Resistor #3	39861
AP63556	Calibration Resistor #4	39862
AP63557	Calibration Resistor #5	39863
AP63558	Calibration Resistor #6	39864
AP63559	Calibration Resistor #7	39865
AP63564	Calibration Resistor #8	39866
AP63565	Calibration Resistor #9	39867
AP0095	Overhaul Gasket Kit	33815
