

NPA 12/17

**SUBJECT: Remanufactured High-Pressure Fuel Pump (HPFP) Kits
June 29, 2017**

Alliant Power is pleased to announce the release of **AP63643** and **AP63644** Remanufactured High-Pressure Fuel Pump (HPFP) Kits for the Ford® and Navistar® applications listed in the table below. These part numbers supersede AP63640 and AP63641. Each pump is remanufactured in-house, using 100% new volume control and pressure control valves, and bench tested to ensure desired performance. These exclusive Alliant Power kits are not offered by the OEM and include all necessary parts to complete the job. Installation kits are also available separately as **AP0071** and **AP0072** High-Pressure Fuel Pump (HPFP) Installation Kits.

All new products are backed with Alliant Power's 13-month, unlimited mileage warranty, as well as Alliant Power's technical support.
