

ORDER CUT-OFF TIMES (JANUARY 2022)

Each Diesel Forward regional warehouse has order cut-off times established to ensure that we have time to pick, pack, and ship orders the same day. Order cut-off times are determined based on carrier pick up times at each location. While we will make every effort to ship orders that come in after the cut-off times the same day, we cannot guarantee same day shipping.

East Region	
Type	Order cut-off ¹
LTL ²	1:00 PM
FedEx®	4:00 PM
UPS®	4:00 PM

Central Region	
Type	Order cut-off ¹
LTL ²	1:00 PM
SpeeDee	4:00 PM
FedEx	4:00 PM
UPS	4:00 PM

Mountain Region	
Type	Order cut-off ¹
LTL ²	1:00 PM
OnTrac®	4:00 PM
UPS	4:00 PM

West Region	
Type	Order cut-off ¹
LTL ²	1:00 PM
UPS	4:00 PM
GSO/GLS	4:00 PM

¹ Times are local to the region.

² Less than truckload (LTL), shipments are orders that will be shipped on a pallet due to weight or volume.

These must be placed by 1:00 PM. Large orders that require LTL shipment not received by 1:00 PM will ship the following business day. Large stock orders may take 48 hours to ship dependent on volume.
