

DODGE/CUMMINS

A collection of Dodge/Cummins engine components is displayed on a dark, textured surface. The components include a large head gasket with four circular openings, a water pump, an alternator, a fuel filter, a fuel pump, a fuel injector, a fuel line, a fuel hose, a fuel nozzle, and various fittings and connectors. The components are arranged in a grid-like pattern, showcasing the variety of parts available for these engines. The text "DODGE/CUMMINS" is visible in the top right corner and at the bottom of the image.
