Cummins Rebuilt P&B Core Fee

In response to customer requests in our recent customer satisfaction survey, all DIPACO rebuilt plunger and barrel assemblies for Cummins will now be sold on an outright basis. There will no longer be any requirement to return a used assembly. This change is effective September 1, 2001. To receive any core credit for P&B assemblies purchased prior to this date, the used assemblies must be received at DIPACO no later than September 30, 2001.
