

VEHICLE OFF ROAD POLICIES

Limitations to using the provided stock from Bosch's warehouse:

- Parts ordered are for "Vehicle Off Road" (VOR) purpose, with regards to one engine being down.
 - Limited quantities are allowed to be ordered. Ordering over the required amount for one engine being down will result in the delay of your order and required quantity change to fit the Bosch policy criteria.
- Shipping limitations and requirements
 - Orders from Germany/Japan are required to be shipped into Diesel Forward and then sent to your end user or home location.
 - Orders from Atlanta can only be shipped to authorized service dealers, no end users.
